Operations

(NIFSP)

This regulation sets up procedures and responsibilities for the NIFSP. It applies to HQ ESC and all subordinate units.

2. Policy

3. Responsibilities:

a. HQ ESC, DCS/Plans (XP). XP is the OPR for the NIFSP and will make sure that it is managed according to USSID 512. XPX will maintain copies of all Terms of Reference (TORs) and will set up procedures for a review before each [redacted] completes the tour. XP will make sure that units with NIFSP billets have current copies of the TOR. XP will staff and review the TOR for each assignee and will advise NSA/CSS of concurrence or nonconcurrence with proposed assignee. XPX will consult with the affected field unit to make sure that a TOR is necessary.

b. HQ ESC, DCS/Operations (DO). DO is the Office of Collateral Responsibility (OCR). DOS will authenticate and validate the requirement for an NIFSP billet. DOS will coordinate on the nomination of the assignee and provide comments and reasons for any nonselectee.

c. Unit Commanders. Unit commanders will manage the NIFSP according to the procedures set up in USSID 512. They will review individual NIFSP billets before the [redacted] completes the tour and forward recommendations to HQ ESC/XPX/DOS.

FOR THE COMMANDER

NEIL J. CHRISTOFFERSEN, Lt Col, USAF  
Director of Administration
